

EBM SUPPORTING SIUT ZAKAT CAMPAIGN

September 2006

The Sindh Institute of
Urology &
Transplantation

(SIUT) is a largest
public sector health
organization in
Urology, Nephrology
and Transplantation in
South East Asian
region, whose mission
is to provide
comprehensive and

modern medical facilities free of cost to all patients.

Last year SIUT spent over Rs. 500 million for providing free treatment to over 4 lac patients from all over Pakistan. Approximately 24% of our patients are children. The two-third of the funds came from corporate donors.

EBM has provided two of his billboard sites at important location in Karachi to support their Ramzan Zakat Campaign. These billboards are installed during the whole month of Ramazan.

EBM SUPPORTING TCF ZAKAT CAMPAIGN

September 2006

The Citizens Foundation (TCF) is a non-for-profit organization committed to providing quality education to the less privileged in the katchi abadis and rural areas all over Pakistan.

Their mission is “to promote mass-scale education at the primary

levels in an environment that encourages intellectual, moral and spiritual growth”. More than 38000 children is now educating in TCF Schools nationwide.

EBM has provided two of his billboard sites at important location in Karachi to support their Ramzan Zakat Campaign. These billboards are installed during the whole month of Ramazan.
